YOUTH ARRESTED ON GIRL'S CHARGE; DOCTOR SOUGHT

Mother Has Jewelry Salesman
Held, While Warrant Is
Issued for Physician.

So terrified that she clung to her mother's gown, fourteen-year-old Margaret Murtha listened to-day while Mrs. Susan Murtha accused Samuel Jacobson, a youthful jewelry salesman, of having abducted her daughter. The mother told Magistrate Geismar in the Snyder Avenue Court in Flatbush how the girl was

found last night in a room on the top floor of Dr. Henry Risch's home at No. 2418 Clarendon road, Flatbush. The child admitted that she was so infatuated with the young man that she accompanied him willingly from her home, No. 1469 Fulton street, July 30. Jacobson declined to offer a defense and demanded time to get a lawyer.

Magistrate Geismar granted the request, holding him in \$2,000 bail for examination on Friday, and at the same time issued a warrant for Dr. Risch, charging him with aiding in detaining the girl.

The discovery of the child came after Detective Donelson and Owens of the Grand avenue station had trailed Jacobson, whose home at No. 1556 Atlantic avenue is near that of the Murthas. Last Saturday the boy went to Dr. Risch's home and remained for some time. Again last night he went there and this time the detectives, with Margaret's eighteen-year-old sister Adele, waited for him to come out. He denied stoutly that he knew anything about the missing Margaret, but the detectives searched the house and in a room on the top floor found Margaret sitting on a bed.

At sight of her sister both girls wept hysterically, while, according to the detectives, Dr. Risch declared the child was sick and under his professional care and could not be moved. The detectives say a doctor finally admitted that he had not treated her. The child said she had been well treated by the physician and his wife, though Mrs. Risch had made her help with the household to pay for her lodging.

HOAX BRINGS HUNDREDS OF DEPOSITORS TO COURT

Were Told Banker Mandel Would
Pay Them in Full—Warned
by District-Attorney.

A cruel hoax was perpetrated to-day on depositors in the bankrupt Mandel bank at No. 155 Rivington street by a person who circulated the report that Adolph Mandel, arrested Sept. 14 on an indictment for forgery, would be arranged in Part I. of General Sessions and, to save himself from jail, would distribute cash to all depositors producing bankbooks. More than 600 depositors, led by a man eighty-two years old, hurried to the Criminal Court Building. A majority of the deluded people were women.

There the leaders learned that the Mandel case was not on the calendar for to-day. There was some excitement, and a score of the depositors went to the office of Assistant District-Attorney Groehl, who explained that they had been fooled by some heartless joker. Mr. Groehl warned depositors to keep their bank books, to refuse to sign any papers purporting to secure their depositors and to ask the District-Attorney's office for advice if approached by persons seeking to influence their actions.

THIEF STARTS FIRE TO ROB DESERTED FLATS

Spreads Alarm and Then Enters
Apartments as Frightened
Dwellers Flee.

Investigation by Fire Marshal Brophy and the police of a small fire in the cellar of the apartment house at No. 494B Jefferson avenue showed by daylight to-day showed it was started by an incendiary in aid of a plan to rob the tenants. The plan was partially successful.

The fire, in a wooden, made much smoke. A young man rushed through the house knocking on doors, shouting "Fire!" and ordering the tenants to run to the street. As the dazed and frightened occupants obeyed he slipped into the apartments and helped himself to jewelry and money. Mrs. Clarence Cornelius on the fourth floor lost a watch and money. Clarence B. Hubbard and Charles Blasecker, living on the second floor, were robbed of jewelry and cash. The thief escaped.

Four Risk Their Lives in Penitentiary
Blaze.

TRENTON, N. J., Sept. 22.—Four convicts in the penitentiary here are receiving the praise of heroes, to-day, and many others are being watched for fear of incendiaries, as a result of two fires in the prison, yesterday. The first, in the shirt factory, was put out. The second was started under the administration.

HOW THE AIR WILL RESTORE GRAY HAIR

Wonderful Method by Which
Gray and Faded Hair is Made
Natural Color by Action of
Oxygen. Not a Dye.

Are you one of the thousands who are suffering from the stigma of premature old age that gray hairs have placed upon you—and yet you think that nothing can be done to prevent it? Science has worked out a wonderful restorative principle for just such cases as yours. It has made it possible for you to bring back to their NATURAL COLOR the whitening strands that are so rapidly destroying your youthful appearance. You can also KEEP OTHER GRAY HAIRS FROM COMING IN.

Not by dyes, but by a simple process as the action of AIR through the use of HAY'S HAIR HEALTH. This is a NATURAL method. Hay's Hair Health contains elements which strengthen, nourish and stimulate each hair and hair root. In addition, it contains a wonderful ingredient which, when applied, causes the faded gray hairs to gradually but surely come back to their NATURAL color through the action of oxygen in the air. Nothing could be simpler or more effective.

A most efficacious remedy for dandruff, cleansing and toning the scalp, relieving the hair follicles and producing abundant, beautiful growth.

tration building, the incendiaries breaking gas pipes. There was great excitement in the prison, danger of a rush of the convicts for liberty and danger of an explosion, when John Schuyler, a life term, volunteered to go to the basement and shut off the gas as a preliminary to turning a hose on the blaze. He was overcome. Then three other convicts—Robert Bowler, Edward Oswald and Harry Killey—volunteered. They, too, were overcome. Assistant Chief House to the twelve men also were overcome, before the flames were extinguished.

YANKTON SAFE IN PORT.

Battleship Wyoming Leaves for
Hampton Roads.

After being nearly lost off Cape Hatteras last week on the way from Vera Cruz, the auxiliary yacht Yankton, tender to the flagship Wyoming, is safe at the Brooklyn Navy Yard. For three days the Yankton hove to battling the heavy seas and wind after Lieut. C. S. Joyce, her commander, tried a sea anchor which had failed. The Wyoming left the Brooklyn Navy Yard yesterday for Hampton Roads. There coal and ammunition will be taken aboard and the vessel will join in target practice.

KILLED IN WAR DISPUTE.

Stabbed in Heart, Victim Walks to
Hospital, Then Dies.

After being stabbed fatally in the heart with a long knife Grant Bainbridge, a negro, of No. 137 Prince street, Brooklyn, walked three blocks from Thomas Rand's saloon at De Kalb and Hudson avenues, to the Brooklyn Hospital. He dropped on the threshold, and when Dr. Madden, of the hospital staff, got to him he was dead. Two men supported Bainbridge in his walk to the hospital. The stabbing was the result of a quarrel with another negro, both having been drinking. The origin of the quarrel, bystanders say, was a war discussion. Bainbridge's assailant fled after the stabbing, but the police have his name and description.
